

WEEE Recycling

Waste Electrical & Electronic Equipment

The Blue Castle WEEE recycling service is totally flexible from loose items to Drop Fronted Pallet Boxes or Wheelie bins and even Large Polypropylene Bags which are capable of holding up to 750kg. The bags are lightweight, re-useable and very versatile while the containers are suitable for ongoing WEEE requirements and offer secure safe storage prior to collection. Bulk Bags can also be posted to reduce vehicle movements and to minimise environmental impact.
